

Dear Parent(s),

Attached is our first book report for the school year. Each month your child will be asked to do a book report covering a different genre or type of book. I am asking that you take the time to find a good mystery book with your child either using one from home or checking one out through the library. This can be a book that you and your child read together so that you can discuss the key elements along the way. I suggest having the book picked out by this week to allow them plenty of time to read it. I appreciate your cooperation and time with this project. Happy October!

Sincerely,
Mrs. Webb
